## NOTICE OF APPLICATION TO REMOVE HOLDING SYMBOL

The Municipal Council for the City of London is considering an amendment to the City's Zoning By-law Z.-1 for the lands shown on the map as attached. The requested change is described below.

<b>APPLICANT:</b>	Sifton Properties Limited
<b>LOCATION:</b>	2810 Sheffield Place – Block 60 Plan 33M-672 (see attached map)
<b>PURPOSE AND EFFECT:</b>	The purpose and effect of this zoning change is to remove the holding symbols to allow development of the lands for residential uses permitted under the Residential R6 Special Provision (R6-2(11)) Zone.
<b>POSSIBLE AMENDMENT:</b>	<p>Possible change to Zoning By-law Z.-1 by deleting the Holding ("h" &amp; "h-100") Provisions from the zoning of the subject lands.</p> <p>The purpose of the "h" provision is to ensure the orderly development of lands and the adequate provision of municipal services. The "h" symbol shall not be deleted until the required security has been provided for the development agreement or subdivision agreement, and Council is satisfied that the conditions of approval of the plans and drawings for a site plan, or the conditions of the approval of a draft plan of subdivision, will ensure a development agreement or subdivision agreement is executed by the applicant and the City prior to development.</p> <p>The "h-100" symbol is intended to ensure there is adequate water service and appropriate access, a looped watermain system must be constructed and a second public access must be available to the satisfaction of the City Engineer. Interim uses may be permitted up to 80 units maximum.</p> <p><i>[The subject lands were part of a related draft-approved plan of subdivision – City of London Application File Number 39T-09502 / OZ-7692 - Sifton Properties Limited].</i></p>
